MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Regular Meeting

January 25, 1951.

Council Chamber, City Hall

The meeting was called to order with Mayor Glass presiding.

Roll Call:

Present: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Absent: None

Present also: Walter E. Seaholm, City Manager; Trueman E. O'Quinn, City Attorney; C. G. Levander, Director of Public Works.

Councilman MacCorkle moved that since copies of the minutes of the last meeting of the City Council have been furnished Council members by the City Clerk, the reading of the minutes be dispensed with and that the minutes be adopted as read in the Clerk's report. Upon being duly seconded by Councilman Drake, the motion was unanimously adopted by the Council and the minutes so approved.

The request of the AUSTIN TRANSIT, INC., submitted to the Council at its meeting of January 11, 1951, was brought up for further consideration. Inquiries were made about the tokens that would still be in customers' possession. It was stated by MR. BEN W. GREIG that refunds would be made if the customers would come by the Dispatcher's Office or the Austin Transit, Inc. office, within ninety days after the rate increase went into effect. In answer to Councilman MacCorkle's inquiry about consolidating the AUSTIN TRANSIT, INC., BUS LEASING CORPORATION and ZACHRY REALTY COMPANY, Mr. Greig stated he was in favor of the consolidation; but it would take a considerable amount of time. The arrangement had advantages on their ability to borrow money, as the Austin Transit, Inc. could not borrow very much on their holdings alone. He asked the Council to write him a letter making the request of consolidation, and he would mass it on to the MANN ASSOCIATES with his recommendation. He stated the consolidation would probably take place as soon as the accounts and loans were taken care of. It is also set up for tax purposes on the three companies, and that would enter into the consolidation proposal.

Councilman Long moved that the Council request the Austin Transit, Inc., to report back to the Council in six months as to what can be done about consolidating the AUSTIN TRANSIT, INC., BUS LEASING CORPORATION and ZACHRY REALTY COMPANY, and when they planned to do so. The motion, seconded by Councilman MacCorkle, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

Noes: None

Mayor Glass read again the request of the AUSTIN TRANSIT, INC., dated January 11, 1951, and included in the Minutes of that date. The rates requested are as follows:

Adult Rates

Children and Students

Councilman Johnson, after noting there was no opposition expressed at the hearing, moved that the increase be granted and an ordinance submitted to that effect. The motion, seconded by Councilman Drake, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

Noes: None

The Mayor then introduced the following ordinance:

AN ORDINANCE AMENDING THAT CERTAIN ORDINANCE ENTITLED "AN ORDINANCE PRESCRIBING FARES AND CHARGES COLLECTI-BLE. BEGINNING THE 1st DAY OF JULY, 1947, BY EVERY PERSON, FIRM AND CORPORATION MAINTAINING AND OPERATING WITHIN THE CITY OF AUSTIN A BUS SYSTEM FOR LOCAL TRANS-PORTATION OF PASSENGERS FOR HIRE USING OR OPERATING UN-DER A PUBLIC FRANCHISE: PRESCRIBING PAYMENTS TO THE CITY OF AUSTIN. BASED UPON GROSS ANNUAL RECEIPTS FROM OPERATIONS, BY EVERY PERSON, FIRM AND CORPORATION MAIN-TAINING AND OPERATING WITHIN THE CITY OF AUSTIN A BUS SYSTEM: FIXING TIMES FOR SUCH PAYMENTS; AND DECLARING AN EMERGENCY, " WHICH ORDINANCE WAS PASSED BY THE CITY COUNCIL OF THE CITY OF AUSTIN JUNE 26, 1947, AND IS RECORDED IN BOOK "M", PAGES 5234524, INCLUSIVE, OF THE ORDINANCE RECORDS OF THE CITY OF AUSTIN, BY AMENDING SECTION 1 THEREOF PRESCRIBING RATES FOR THE TRANSPORTA-TION OF PASSENGERS FOR HIRE BY BUS WITHIN THE CITY OF AUSTIN: AND DECLARING AN EMERGENCY.

The ordinance was read the first time, and Councilman MacCorkle moved that the rule be suspended and the ordinance passed to its second reading. The motion, seconded by Councilman Johnson, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Noes: None

The ordinance was read the second time, and Councilman Johnson moved that the rule be suspended and the ordinance passed to its third reading. The motion, seconded by Councilman MacCorkle, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Nose: None

The ordinance was read the third time, and Councilman Johnson moved that the ordinance be finally passed. The motion, seconded by Councilman MacCorkle, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Nose: None

The Mayor then announced that the ordinance had been finally passed. He complimented the Austin Transit, Inc., and their employees for getting along so well and by being so reasonable in their request, and he stated the people of Austin would appreciate it.

With regard to the passage of the ordinance, Councilman Long inquired if it were legal to pass it as an emergency or would it have to lay over for several weeks. It was stated by the City Attorney it could be passed as an emergency.

DR. E. H. GIVENS appeared before the Council asking that a fire station be located in East Austin; that another park be developed; a nurses home for the colored nurses be considered at 14th and Sabine; a golf course located in East Austin; use of the facilities at Brackenridge Hospital by colored doctors; that the veranda from the operating room to the annex be enclosed so that patients being taken from the operating room to their rooms would not becomposed; traffic lights at 12th and Chicon and at Rosewood and Chicon; and playground equipment placed on public school grounds. It was stated the Fire Station site is under study by the Fire Department; the playground was included in a study by the Recreation Department; a golf course was being planned; and the playground equipment was already covered in a plan with the School Board. The use of the facilities at Brackenridge Hospital would come under the Medical Staff at Brackenridge Hospital, and the Medical Society. The enclosure of the veranda is included in the improvement plan of the Hospital. The City Manager stated a meeting would be held with the Staff and the new Administrator soon after February 1. 1951, and various matters would be presented then.

The Seventh Grade of University Junior High School was greeted and welcomed.

Mayor Glass introduced the following ordinance:

AN ORDINANCE PERPETUALLY CLOSING AND VACATING A PORTION OF BLUFF STREET AT ITS INTERSECTION WITH SOUTH LAMAR BOULEVARD, AS THE SAME IS SHOWN ON A MAP OR PLAT OF BLUFF VIEW. A SUBDIVISION OF A PORTION OF THE ISAAC DECKER IE AGUE IN THE CITY OF AUSTIN, TRAVIS COUNTY, TEXAS, OF RECORD IN BOOK 4, AT PAGE 257 OF THE PLAT RECORDS OF TRAVIS COUNTY. TEXAS: AND SUSPENDING THE RULE REQUIRING THE READ-ING OF AN ORDINANCE ON THREE SEPARATE DAYS.

The ordinance was read the first time, and Councilman Johnson moved that the rule be suspended and the ordinance passed to its second reading. The motion, seconded by Councilman Long, carried by the following vote:

> Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Noes: None

The ordinance was read the second time, and Councilman Johnson moved that the rule be suspended and the ordinance passed to its third reading. The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

Noes:

The ordinance was read the third time, and Councilman Johnson moved that the ordinance be finally passed. The motion, seconded by Councilman Long carried by the following vote:

> Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Ay es: None Noes:

The Mayor then announced that the ordinance had been finally passed.

Mayor Glass introduced the following ordinance:

AN ORDINANCE PERPETUALLY CLOSING AND VACATING AN ALLEY TRAVERSING BLOCK 4 OF THE TOBIN AND JOHNSON'S SUBDIVISION, AS SHOWN ON A PLAT OF SAID SUBDIVISION OF RECORD IN PLAT BOOK 1, PAGE 79, OF THE PLAT RE-CORDS OF TRAVIS COUNTY, TEXAS, BUT RETAINING EASE-MENTS IN SAID ALLEY FOR ALL PUBLIC UTILITIES; AND SUSPENDING THE RULE REQUIRING THE READING OF AN OR-DINANCE ON THREE SEPARATE DAYS.

The ordinance was read the first time, and Councilman MacCorkle moved that the rule be suspended and the ordinance passed to its second reading. The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Noes: None

The ordinance was read the second time, and Councilman MacCorkle moved that the rule be suspended and the ordinance passed to its third reading. The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Noes: None

The ordinance was read the third time, and Councilman MacCorkle moved that the ordinance be finally passed. The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Nose: None

The Mayor then announced that the ordinance had been finally passed.

Mayor Glass introduced the following ordinance:

AN ORDINANCE AMENDING THAT CERTAIN ORDINANCE ENTITLED: "DEFINING NUISANCE PERSONAL PROPERTY: DIRECTING REMOVAL AND IMPOUNDING OF SAME WHEN FOUND IN PUBLIC PLACES: PROVIDING A LIEN THEREON AND SALE TO SATISFY LIEN AND REDEMPTION BEFORE AND AFTER SALE; PROVIDING FOR NOTICE OF SALE, POSTING AND ADVERTISING THEREOF AND NOTICE BY REGISTERED MAIL TO OWNERS OF MOTOR VEHICLES; PRESCRIBING PROCEDURE FOR AUCTION SALE, DISPOSITION OF PROCEEDS: VESTING TITLE IN AUCTION BUYER: DEFINING JUNK; DIRECTING ITS SALE AND DISPOSAL OF PROCEEDS THEREOF; KEEPING RECORDS AND PRESCRIBING FEES; EXCEPTING LIVESTOCK, FOWLS AND DOGS; REPEALING CERTAIN ORDINANCE; PROVIDING A SEVERABILITY CLAUSE AND DECLARING AN EMERGENCY, " WHICH ORDINANCE WAS PASSED BY THE CITY COUNCIL OF THE CITY OF AUSTIN MARCH 30, 1950, AND IS RECORDED IN BOOK "P" PAGES 218-221, INCLUSIVE, OF THE ORDINANCE RECORDS OF THE CITY OF AUSTIN, BY AMENDING SECTION 10(b) THEREOF RELATING TO FEES TO BE CHARGED; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; AND DECLAR-ING AN EMERGENCY.

The ordinance was read the first time, and Councilman MacCorkle moved that the rule be suspended and the ordinance passed to its second reading. The motion, seconded by Councilman Johnson, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Nose: None

The ordinance was read the second time, and Councilman MacCorkle moved that the rule be suspended and the ordinance passed to its third reading. The motion, seconded by Councilman Johnson, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

Noes: None

The ordinance was read the third time, and Councilman MacCorkle moved that the ordinance be finally passed. The motion, seconded by Councilman Johnson, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

Noes: None

The Mayor then announced that the ordinance had been finally passed.

Councilman Long offered the following resolution and moved its adoption (RESOLUTION)

WHEREAS, it has become necessary for the City of Austin to provide facilities for the purification of water, in addition to the present capacities, at a location economically convenient to the Colorado River and at a point best designed to serve the greatest number of inhabitants of the City; and

WHEREAS, after extensive studies over a period of many months, engineers employed by the City of Austin and engineers serving in a consulting capacity have advised the City Council that the proposed water purification project should be located in the general neighborhood of Huck's Branch near Mount Bonnell; and

WHEREAS, the City Council recognizes that the area surrounding Mount Bonnell has been developed, and probably will be developed in the future, principally for residential and park purposes because of the natural advantages and scenic beauty of this section; and

WHEREAS, it is the sincere desire of the City Council to encourage present and future development in the Mount Bonnell region for residential and park purposes, and to integrate the water purification facilities with the general character of such development so as to preserve and advance such development; Now. Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the City Manager be, and he is hereby authorized and directed, in the development of the water purification facilities for the City of Austin in the Mount Bonnell section, to cooperate with and receive the advice and assistance of an advisory committee of five (5) persons, elected for the purpose by citizens and property owners in the Mount Bonnell section, to the end that the water project constructed by the City of Austin shall be acceptable in appearance

as to architecture and landscaping (conforming as fully as practicable to the general character of residential and park development in the Mount Bonnell region) and to the end that such water project will best serve the greatest number of inhabitants.

The motion, seconded by Counciman Johnson, carried by the following vote: Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Noes: None

Councilman Johnson offered the following resolution and moved its adoption: (RESOLUTION)

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT the City Council of the City of Austin hereby approves as a filling station site the property located at the southwest corner of the intersection of East 7th Street and Neches Street, which property fronts 103.5 feet on East 7th Street and 90 feet on NechesStreet and being known as Lot 5 and the east one-half of Lot 6. Block 66 of the Original City of Austin, Travis County, Texas, and hereby authorizes the said Henry H. Kuempel to construct, maintain and operate a drivein gasoline filling station and to construct curbs, ramps and sidewalks in conjunction therewith, subject to the same being constructed in compliance with all the ordinances relating the reto, and further subject to the foregoing attached recommendations and plans; and the Building Inspector is hereby authorized to issue an occupancy permit for the operation of this filling station after full complainte with all the provisions of this resolution, and said permission shall be held to be granted and accepted to all necessary, reasonable and proper, present and future regulations and ordinances of the City of Austin, Texas, in the enforcement of the proper police, traffic and fire regulations; and the right of revocation is retained, if, after hearing, it is found by the City Council that the said Henry H. Kuemmel has failed and refused, and will continue to fail and refuse to perform any such conditions, regulations and ordinances.

(Regulations)

Mr. Walter Seaholm City Manager Austin, Texas January 25, 1951

Dear Sir:

We, the undersigned, have considered the application of Henry H. Kuempel for permission to construct, maintain and operate a drive-in gasoline filling station and to construct commercial driveways in conjunction therewith upon the property located at the southwest corner of the intersection of East 7th Street and Neches Street which property fronts 103.5 feet on East 7th Street and 90 feet on Neches Street and being known as Lot 5 and the east one-half of Lot 6. Block 66 of the Original City of Austin, Travis County, Texas, and the property upon which this filling station is to be located is owned by Henry H. Kuempel and we hereby advise that the following conditions exist:

The property upon which this filling station is to be located is designated as "C" Commercial Use District upon the zoning maps of the City of Austin.

There is a storm sewer inlet on the west side of Neches Street approximately 186 feet south of the above location.

We recommend that Henry H. Kuempel be granted permission to construct, maintain, and operate said drive-in gasoline filling station and to construct curbs, ramps and sidewalks in conjunction therewith, subject to the following conditions:

- (1) That all buildings and equipment shall be placed inside of the property line, correct lines to be obtained before construction starts or equipment is installed. Lines and grades to be obtained from the Department of Public Works for entrances and driveways, building lines to be approved by the City Building Inspector. That the applicant shall confer with the Department of Public Works as to future grades of the sidewalks and gutters on the adjacent streets before he starts any construction relative to the filling station.
- (2) That only underground tanks shall be used and that all pumps shall be so located that it will be impracticable to service motor vehicles therefrom while said motor vehicles are standing on any part of a sidewalk, street or alley.
- (3) That the gasoline tenks, pumps, and all equipment used in connection with the storage and handling of gasoline shall be an approved type and shall bear the label of Underwriters Laboratories, Inc.; that all construction of the filling station improvements shall be in accord with the Building Ordinance, the Zoning Ordinance, the Filling Station Ordinance, and in accord with the ordinance prohibiting the disposal of commercial water or oils upon the City Streets.
- (4) That the grades of the station shall be such that no waste water or oils or any floor washings shall ever pass over the City sidewalk area and that all of said oils and water shall be concentrated into a combined grease and sand trap which shall be constructed in accordance with our standard plan 2-H-146.
- (5) That all filling station improvements, pump islands, driveways, ramps, gutters, sidewalks and curbs shall be constructed of concrete at the expense of the applicant as set forth upon the plan hereto attached, which plan bears the Department of Public Works file number 2-C-1410.
- (6) Expansion joints shall be constructed as shown upon the plan hereto attached marked 2-C-1410 and shall be of the pre-moulded type.
- (7) When the owner considers that he has complied with all the requirements of the City of Austin for filling stations, he shall apply for a final inspection and upon approval, the Building Inspector shall issue a Certificate of Operation before such filling station can be put into service.

 Respectufly submitted,

(S) C.G.Levander, Director of Public Works J.C.Eckert, Building Inspector

The motion, seconded by Councilman Long, carried by the following vote: Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Noes: None

Councilmen Johnson offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, Southern Union Gas Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT Southern Union Gas Company be and the same is hereby permitted to lay and construct its gas mains in and upon the following streets:

(1) A gas main in WEST 51st STREET, from a point 100 feet west of Grover Avenue easterly 142 feet, the centerline of which gas main shall be $7\frac{1}{2}$ feet south of and parallel to the north property line of said WEST 51ST STREET.

Said gas main described above shall have a cover of not less than $2\frac{1}{8}$ feet.

(2) A gas main in GROVER AVENUE, from West 51st Street southerly 244 feet, the centerline of which gas main shall be 72 feet west of and parallel to the east property line of said GROVER AVENUE.

Said gas main described above shall have a cover of not less than $2\frac{1}{2}$ feet.

The Southern Union Gas Company is hereby put upon notice that the City of Austin does not guarantee that the space assigned above is clear from other underground utilities, but is based upon the best records we have at hand, and that the minimum depth stated does not have any reference to the fact that greater depths may not be required at special points. When the Southern Union Gas Company requires definite information upon the ground as to elevations or working points from which to base the location of their assignments, they shall apply to the Department of Public Works not less than three (3) days before such information is required. The Southern Union Gas Company is further put upon notice that they will be required to bear the expense of repairs or replacement of any underground utility damaged during the construction of lines named in this resolution.

AND THAT whenever pavement is cut in the vicinity of a fire plug, water must be used at intervals during the course of backfilling of the ditches.

THAT the work and laying of said gas mains, including the excavation in the streets, and therestoration and maintenance of said streets after said mains have been laid shall be under the supervision and direction of the City Manager, and under all the pertinent terms and conditions of the certain franchises granted to said company by the City of Austin.

The motion, seconded by Councilman Long, carried by the following vote: Ayes: Councilmen Drag, Johnson, Long, MacCorkle, Mayor Glass Noes: None

Councilman Long offered the following resolution and moved its adoption (RESOLUTION)

WHEREAS, it has been determined that the assessment for taxes for the year 1950 against the improvements on Lot 3, Block 1, Outlot 77, Division D, Lakeview Subdivision, assessed in the name of Pete Laurito, is excessive, and that same should be corrected; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT the assessment for taxes on the improvements on the aforesaid property for the year 1950 be and the same is hereby reduced and corrected from the present assessed value of \$3,380 on said improvements to \$2,910, and that the City Assessor and Collector of taxes is authorized and directed to make such change in the tax rolls.

The motion, seconded by Councilman Drake, carried by the following vote Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass
Noes: None

The City Manager submitted the following request from Cochran-Kinser-Hewlett-Moyer, by James C. Cochran, under date of January 25, 1951:

"We have a client who is desirous of leasing from the City, the tract of ground owned by the City, facing South on Barton Springs Road and lying West of the railroad tracks to the Fredericksburg Road. He would like the use of the land from Barton Springs Road, north to the South edge of the tract leased for the Golf Course. He desires a lease on the property for from two to five years but will permit the City to insert an escape clause of 90 days in the event of sale. The lot will be used to display second hand automobiles.

"Our client has authorized us to offer the City \$47.50 per month net rate for the property. We believe the additional income to the City would justify taking action on this matter."

Mr. James C. Cochran stated there was another piece of City property he would like to lease for a client and that was the west side of the Butler Tract. Councilman Drake moved that these requests be turned over to the City Manager to check and report back to the Council. The motion, seconded by Councilman Johnson, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Noes: None

COUNCILMAN LONG stated she had been giving some thought to bringing back the Parks and Recreation Board, and she moved that an amendment be drawn up to the present ordinance, setting up the Parks and Recreation Board of seven members. The motion, seconded by Councilman MacCorkle, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

Noes: None

Mayor Glass introduced the following ordinance:

AN ORDINANCE CLOSING THE HEARING GIVEN TO THE REAL AND TRUE OWNERS OF PROPERTY ABUTTING UPON GILBERT STREET, AND SUNDRY OTHER STREETS AND AVENUES IN THE CITY OF AUSTIN, TEXAS, WITHIN THE LIMITS HEREINAFTER DEFINED, AS TO SPECIAL BENEFITS TO AC-CRUE TO SAID PROPERTY AND THE REAL AND TRUE OWNERS THEREOF BY VIRTUE OF THE IMPROVEMENT OF SAID STREETS WITHIN SAID LIMITS. AND AS TO ANY ERRORS, INVALIDITIES OR IRREGULÁRITIES IN ANY OF THE PROCEEDINGS OR CONTRACT THEREFOR; OVERRULING AND DENYING ALL PROTESTS AND OBJECTIONS OFFERED; FINDING AND DETERMINING THAT EACH AND EVERY PARCEL OF PROPERTY ABUTTING UPON EACH AND EVERY OF SAID STREETS AND AVENUES WITHIN THE LIMITS DEFINED WILL BE SPECIALLY BENEFITTED AND ENHANCED IN VALUE IN EXCESS OF THE AMOUNT OF THE COST OF SAID IMPROVEMENTS PROPOSED TO BE, AND AS. ASSESSED AGAINST SAID PROPERTY, AND THE REAL AND TRUE OWNERS THEREOF. AND LEVYING AN ASSESSMENT FOR THE PAYMENT OF A PORTION OF THE COST OF IMPROVING SAID STREETS AND AVENUES WITHIN SAID LIMITS DEFINED, FIXING A CHARGE AND LIEN AGAINST SAID PROPERTIES, AND THE REAL AND TRUE OWNERS THEREOF. PROVID-ING FOR THE ISSUANCE OF ASSIGNABLE CERTIFICATES UPON THE COM-PLETION AND ACCEPTANCE OF SAID WORK, THEMANNER AND TIME OF PAY-MENT THEREOF. AND PROVIDING FOR THE MANNER AND METHOD OF COL-LECTION OF SAID ASSESSMENTS AND CERTIFICATES: DECLARING AN EMERGENCY. AND PROVIDING THAT THIS ORDINANCE SHALL BECOME EF-FECTIVE IMMEDIATELY UPON ITS PASSAGE.

The ordinance was read the first time, and Councilman Johnson moved that the rule be suspended and the ordinance be passed to its second reading. The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass Noes: None

The ordinance was read the second time, and Councilman Johnson moved that the rule be suspended and the ordinance be passed to its third reading. The motion, seconded by Councilman Long, carried by thefollowing vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

Noes: None

The ordinance was read the third time and Councilman Johnson moved that the ordinance be finally pased. The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Drake, Johnson, Long, MacCorkle, Mayor Glass

Noes: None

The Mayor then announced the ordinance had been finally passed.

Councilman Drake moved that the City Manager be instructed to submit an ordinance proposing changes in the water rates. The motion, seconded by Councilman Johnson, carried by the following vote:

Ayes: Councilmen Drake, Johnson, MacCorkle, Mayor Glass Present but not voting: Councilman Long Noes: None

The Council received notice from the City Manager that the following applications for change of zoning had been referred to the Zoning Board of Adjustment:

DR. M. F. KREISLE	2315-2317 Longview	From To	иВи пВ−1 и	Residence Residence
WOODROW BROWN	1801 Chicon Street	From To	nC-1 u	Commercial Commercial
J. L. REED	1101 Navasota			Commercial Commercial

The City Manager submitted the Budget for 1951 for final approval. Councilman Long submitted the following amendments for consideration:

"POSSIBLE SAVINGS TO MAKE WATER TAX UNNECESSARY:

"l.	Gut City Hall Annex from \$500,000 to \$350,000 saving	\$150,000.
H2.	Reduce expected land costs on street & bridge construc-	
	tion by \$23,000 which has already been paid	23,000.
"3 •	Cut contractural paving from \$350,000 to \$325,000, and	
	charge \$25,000 of engineering salaries to bond money	
	instead of General Revenue, saving	25,000.
и4.	Budget a \$100,000 shrinkage in Central Stores inventory	100,000.
#5·	At least \$15,000 of budgeted salary increases not used	15,000.
"6.	Net resources at end of 1951 in Utility and General	118,000.
	•	\$431,000.

[&]quot;1. We have \$350,000 in bond money available for the City Hall annex. In addition, the budget calls for spending \$150,000 out of General Revenue for this purpose. It is not likely that the building will be finished during 1951 in view of manpower and material situations, Therefore I move that

- on Page 37 of the budget, the \$150,000 General Fund item for the City Hall building be struck out.
- "2. The preliminary budget carried \$250,000 for land costs (Page 55) on street & bridge construction. In view of the letter of transmittal in the revised budget, showing that \$23,000 has already been paid from General Funds for the 19th & Trinity property, I move that the LAND item on Page 55 be reduced to \$227,000, and that the last item on Page 55 of \$47,519 be reduced to \$24,519. (This last figure is the amount of Street & Bridge Construction charged against General Revenue).
- "3. In 1950, we appropriated \$420,000 for Street & Bridge and Storm Sewer and Culvert Construction, of which only \$262,000 was spent. This year the budget calls for \$350,000 for contractural paving and our experience indicates that we wont get that much done. I MOVE that the contractural paving item be cut
 - t to \$325,000 (on Page 55), thus saving that much bond money. None of the \$136,696 for engineering salaries on Page 50 is charged tobond money, so I move that \$25,000 of those salaries be charged to bond money. This is about the same percentage of engineering salaries as you have charged Street & Bridge salaries to bonds, so it appears to be perfectly legal and proper to pay for engineering on new streets with bond money.
- "4. In 1949, Central Stores inventories shrunk without apparent damage to the welfare of the city, a total of \$147,000. It is reasonable to believe that in view of the defense demands for materials the inventories of utility materials will shrink by at least \$100,000 during 1951. I MOVE that on Page 6 we budget a \$100,000 decline in inventories. These stocks of materials are the same as cash, and withdrawals in excess of purchases leave that much extra cash on hand.
- "5. The salary increases already granted total, on paper, \$232,953. But many of the jobs given increases are not filled now, and may not be for months. The 14 additional policemen are budgeted for an entire year at \$39,852, for example. One month is already gone, so on that one item alone, about \$6500 wont be spent. I move that this fact be recognized in the budget on salary items for new jobs.
- "6. On Page 4 of the budget, the operating funds account, net General Fund and Utility Fund resources at the end of 1951 are estimated at \$119,098.83. That means that we are planning to increase the water tax 25% and at the end of the year, still have one-fourth of the additional revenue in the bank. A surplus is a nice thing to have, but we can get along without one, or with a much smaller one. During the year, if emergencies develop, we will have to do what many Austin families are doing right now: Choose what we'll get along with out in order to have what we must. Our experience has been that we seldom finish all the projects which are budgeted. It is even more likely in 1951 that manpower and materials shortages will stop one or more of the major projects and thus leave us a cushion for emergencies.

- 0 -

Other Budget Amendments:

On Page 29, I MOVE to reduce the amount for Board of Equalization salaries

from \$1800 to \$900, the latter figure being the legal amount this Board may be paid.

"On Pages 75, 76, and 77, I MOVE to return the Division of Sanitation to the Department of Public Works.

- 0 -

"On Pages 115 and 116, Customer Accounting and Collecting, I do not find an a propriation to pay the cost of operating the utility bill sub-stations. We were told that these sub-stations would save the cost of additional office personnel, yet the number of employees in this division is up four from the 1950 budget.

"On Page 6, the revenue estimates show no money from sub-dividers for utility extensions. If no new sub-divisions are expected, why is so much needed (more than last year) for electric utility extensions?"

Councilman Long stated these amendments would save \$431,000, and the water rate would not have to be increased. The Mayor stated if the time came that the rates could be cut back, it would be the duty of the Council to adjust them back. His suggestion was not to cut inventories nor to go into a savings to take care of something on a temporary basis. He felt it would not be financially sound. A discussion was held on reducing the inventories, and a comparison made from 1942 through 1950. Councilman Long felt a shrinkage of \$100,000 would not hurt the City. The City Manager thought it would be necessary to increase the inventories. It was brought out that with the increase in water rates, Austin's position would still be the same—the second lowest in the State; and that it cost more to purify the water here than in other cities.

Councilman MacCorkle inquired of the City Attorney if a Department of City Government could be set up by merely being shown in the Budget and the Budget approved. It was stated that would be legal as the Council passed the Budget. He asked if it were the function of the Council to set up the Departments and Divisions; and if so, would it be proper to define the duties and functions by ordinance. The City Attorney stated it would, but there would have be a general provision that the City Manager would assign duties from day to day as to take care of anything that might occur. Councilman MacCorkle also referred to the new Fire Prevention Department, and stated he would like to see it set up by ordinance defining the function of that Department. The City Attorney stated some cities had an Administrative Code. Councilman MacCorkle asked the City Manager to have an ordinance prepared setting up the Department of Fire Prevention.

Discussion was held on setting up the Planning Department. Councilman Drake stated he thought it should be set up as a separate Department; but with the City Manager's explanation at a previous meeting, he would not insist on it. He felt the City Manager's explanation was adequate. Councilman MacCorkle stated he would not press that point this year, but would like to see it studied more; and at a proper time, have a Planning Department set up as a separate department.

Councilman MacCorkle made two other inquiries concerning the budget: (1) About the revamped retirement system; that the Council had promised the employees a better retirement system, that he did not know anything about the new plan or when it would go into effect. (2) The Classification system; that he did not know whether to cut some function in order to get a better salar scale; and that he might pass a temporary budget until something more definite was submitted. He felt if the Council knew it would have to be amended, it would still be a temporary budget. The City Attorney stated the changes made would be those not anticipated and would be classed as an emergency. Mayor stated things that came up throughout the year could be corrected. City Manager explained the suggestions of the Actuary regarding the Retirement System: that it could be liberalized and still be sound, and that the City could stay within the four percent payment whereas if it went to the State System, it would be five percent. He stated the maximum benefit would be doubled and still not cost any more; that the provisions were now set up in the budget to take care of it at four percent; but it was not set up for any five percent. Councilmen MacCorkle and Long inquired how this was shown in the budget. It was not shown other than the four percent provision and that the different provisions would be pointed out section by section in a proposed ordinance. There will be a recommendation submitted which will show a sound system. If the pension money could be used and invested in paving liens, the earning capacity could be increased, and that affects what can be done and improves our ability to pay. The Budget now contemplates the pension fund as it exists on the four percent participation, but the benefits will be improved, and they will not affect the budget in its ability to provide. The benefits will be effective from the first Councilman MacCorkle inquired if the Council were in a position to of January. promise that this will be done this year. It was stated the general idea from the declaration of policy was to look at what is being paid and see if additional benefits could be given to employees without greater costs to either the City or the employee; whether prior service could be given, and if the maximum could be raised. It was suggested that when the Actuary had gone over the proposed ordinance making these changes and reported back, that the Council meet with All effort was being made to improve the benefits without incurring additional costs. Councilman Johnson inquired about retiring before one was 65 years of age if there was an injury on the job. The City Manager stated this would be the case; and also the insurance taken out for the employees would be carried over, and a person retiring would still have \$1,000 life insurance carried on him. In answer to Councilman MacCorkle's inquiry, it was stated the benefits of the retirement system would be effective January 1, 1951.

With reference to Councilman MacCorkle's second question about the Reclassification, he stated he would not vote to leave the Departmental Heads with the large spread that we now have, and with the discrimination that now exists. He felt if it were going to take more than the remaining \$174,000, the budget should be modified to make those corrections. The City Manager explained there would be \$118,000 as a reserve that would take care of some of the things not anticipated.

Councilman MacCorkle asked if this budget were passed as itemized, would it be necessary in order to increase one of these items or change from one fund to another, that the Council would have to give approval. The City Attorney stated the Council should adopt the budget with the reservation that the account are regarded as reasonable estimates by the Budget Officer as to what is needed, forming the basis for the total appropriation in the various Departments, and

allowing him some discretion. Councilman MacCorkle stated if the major items or funds were changed, Council action should be necessary; that there was a contingent fund that would not need to be itemized. Councilman Drake felt that a major account should be approved, but the subsidiary accounts could be changed if necessary and if the amount were not changed in the major account. Councilman Long stated she did not favor that; that there was a job evaluation being made to stabalize jobs, and she did not think that liberty of changing the items would reflect a true budget.

Mayor Glass favored approving the budget as submitted and asked if there were any changes in the method of preparing a budget, that those plans be made for next year. It was stated that the job classification would be over, and it would show the various jobs now in existence and their appraisal, and the Councilmight pass an ordinance adopting those classifications and fixing minimum and maximum rates. This would not be a part of the budget; but in the future the budget officer would have to stay within the allowances set up in the administrative ordinance. The City Attorney advised that the manner in which the Council adopted the budget was important and that if certain needs were reasonably anticipated, adoption should be flexible enough to permit amendment during the year, because otherwise, in some cases the Council might not be able to change the budget because there would be no emergency present within the meaning of the State Budget Law.

After a thorough discussion of the Budget, Councilman Drake moved that the Budget be adopted with the following amendment; that the payrolls of the Board of Equalization be set according to law, and that additional money be budgeted under "other duties": and that the City Manager be instructed to consider the Budget as to the amount budgeted for each major account. The motion was seconded by Councilman Johnson.

Councilmen Long asked that the motion be split into two separate motions Councilmen Drake conceded to her request to state his motion in two separate motions. Councilmen Long asked if she could offer a substitute motion, to which Councilmen Drake conceded.

Councilman Long then moved that the items drawn up in the two-page statement just presented to the Council, with the exception of the amendment offered by Councilman Drake (that the payrolls of the Board of Equalization be set according to law, and that additional money be budgeted under "other duties") be adopted. The substitute motion was seconded by Councilman MacCorkle to get it before the Council. The motion lost by the following vote:

Ayes: Councilman Long

Noes: Councilman Drake, Johnson, MacCorkle, Mayor Glass

The Mayor announced the substitute motion had lost, and the motion of Councilman Drake would be considered in two motions: the first motion, being that the Budget be adopted with the following amendment; that the payrolls of the Board of Equalization be: set according to law, and that additional money be budgeted under "other duties". The motion carried by the following vote:

Ayes: Councilmen Drake, Johnson, MacCorkle (that the adoption of the budget be subject to such change as to the retirement system and classification system might make necessary), Mayor Glass

Noes: Councilman Long

Ayes: Councilmen Drake, Johnson, MacCorkle, Mayor Glass

Noes: Councilman Long

Councilman Drake stated for the record that it was not his intention to change the bookeeping system or accounting system in any way, and that a detailed breakdown of itemized expenditure will be available to the public and Council at all times.

Councilman Drake then offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, the General Budget of the City of Austin, Texas, for the year 1951 has been prepared by the City Manager and presented to the City Council, and the same was filed with the City Clerk for public inspection; and

WHEREAS, a public hearing on said budget was held in the City Council Chamber at the City Hall, after due notice of said time and place, at which hearing the taxpayers of the City of Austin were given the opportunity to be present and participate in such hearing; and said hearing was finally closed; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

The following General Budget of the City of Austin for the year 1951, be, and the same is hereby adopted, and the amounts set out respectively in said budget, be, and they are hereby, respectively appropriated for the respective purpose and out of the funds respectively shown in said budget.

The motion, seconded by Councilman Johnson, carried by the following vote:

Ayes: Councilmen Drake, Johnson, MacCorkle, Mayor Glass

Noes: Councilman Long

CITY OF AUSTIN

FOUNDED BY CONGRESS, REPUBLIC OF TEXAS, 1839
WALTER E. SEAHOLM, CITY MANAGER

January 17, 1951

Honorable Mayor and Members of the City Council Austin, Texas

Dear Members of the City Council:

We submit this supplement to our estimates of revenues and recommendations of expenditures for the 1951 budget as previously submitted in December, 1950, with this difference, that <u>actual</u> 1950 revenue and expenditure figures have been substituted for previously estimated 1950 figures.

We are happy to report that as of December 31st, 1950, the following cash balances or resources are carried forward into 1951, (as shown on Page 3 - "Cash Receipts, Disbursements, & Balances - Operating Funds - 1950", and Page 12 - "Central Stores").

		General Fund Utility Fund	
		TOTAL	\$175,091.14
Increase	Central	Stores Inventory	
		TOTAL	\$236,542.65

This balance could have been approximately \$23,000.00 greater but for the purchase of land for future Trinity Street rights-of-way authorized by the Council in December, 1950.

We have included herein a considerable bit of informational reports for the further edification and better understanding of the budget. These are contained within the Pages 1 to 21, inclusive.

The previous preliminary 1951 budget did not contain any increase in employee wages. In accordance with the authorization of the City Council, an increase of \$10.00 per month for monthly salaried employees and 5ϕ per hour for hourly workers was made for all employees earning less than \$400.00 per month. We have shown in detail on Pages 1 and 2 a general summary of this increase as it pertains to the different departments of the City. You will note that this increase totals \$232,953.00 for the year 1951. This will leave approximately \$172,000.00 to be further distributed when and as the job evaluation study is completed, expected to be about March.

The following further revisions have been made since the preliminary budget, namely:

- (a) The addition of \$6,000.00 was set up for Civil Defense. This expense will be shared by the County government to the extent of 40%.
- (b) A further increase of two "Personal Appraisers" in the Tax Department is recommended, an increase of \$5,050.00 for the year.
- (c) The purchase of corner lot at the Abattoir authorized by the Council for \$9,000.00 is also incorporated in the Abattoir "Capital Cutlay" budget.
- (d) A change from \$4,000.00 to \$7,000.00 in the "Maintenance of Machinery and Equipment" in the Municipal Building account.

It should be called to the Council's attention that these budget estimates of revenues and expenditures contemplate an increase in the water rate to provide for sewer service cost. This rate should be put in effect February 1st, 1951, so that the necessary revenues will be provided for the year 1951.

I should like to take this opportunity to thank the City Council for your kind indulgence of my efforts for the past seven months, for your splendid cooperation and good counsel. Also, I should like to acknowledge and express my personal appreciation to all the City employees for their good work in behalf of our City. It is only through the good cooperative efforts of all our employees that the job can be done. In view of the present world conditions, these efforts must be increased, for the load will be much greater; however, with the cooperative team work of all of us, we can build and maintain all the institutions of this democracy of ours.

Respectfully yours,

W. E. Seaholm

City Manager
